

Install PC Software and Video Media Player

First you will need to open up your internet browser of choice.

Go to www.avycon.com

Hoover over the support tab(on the top of the screen)

Next go down and Click on **Download Center**

On the

The screenshot shows the AVYCON website's Download Center. The page title is "Download Center" and the breadcrumb is "Home / Support / Download Center". There are navigation tabs for "All (160)", "IP Utilities (8)", "Manuals (9)", "Quick Start Guides (20)", "CMS (9)", "Drivers and Utilities (2)", "Other (20)", and "Legacy Specifica". A search bar contains the text "Search". Below the search bar is a table with 15 rows. The table has three columns: "No", "Category", and "Download". The items listed are:

No	Category	Download
1	Other	AVYCON Mobile CVMs Update for AIVO Testers.apk
2	Manuals	AVYCON Diversity - CMSONE Manual (01-2023).pdf
3	Manuals	AVYCON Diversity - IP Camera Manual (03-2023).pdf
4	Manuals	AVYCON Diversity - DVR Manual (03-2023).pdf
5	Manuals	AVYCON Diversity - NVR Non POE Manual (03-2023).pdf
6	Manuals	AVYCON Diversity - NVR POE Manual (03-2023).pdf
7	Other	RemotePCAttended.dmg
8	Other	RemotePCAttended.exe
9	Other	AVYCON Video Player [Diversity Series] - Windows_1.0.1_2022_10_21.zip
10	Other	AVYCON Video Player [Diversity Series] - macOS_1.0.1_2022_10_25.zip
11	Other	AVYCON AnyDesk Client - MacOS.dmg
12	Other	AVYCON AnyDesk Client - Windows.exe
13	Other	AVYCON_AnyDesk_RemoteSupport_Client.exe
14	Other	AVYCON_AnyDesk_RemoteSupport_Client_Signed.dmg
15	IP Utilities	IP Device Tool [Diversity Series] - Windows.zip

At the bottom of the table, there are navigation arrows and a page number "1".

The next page will now only have one page with 6 items to choose from

The screenshot shows the AVYCON website's Download Center with a search filter applied. The search bar contains "diversity series". The table now shows only 6 items:

No	Category	Download
1	Other	AVYCON Video Player [Diversity Series] - Windows_1.0.1_2022_10_21.zip
2	Other	AVYCON Video Player [Diversity Series] - macOS_1.0.1_2022_10_25.zip
3	IP Utilities	IP Device Tool [Diversity Series] - Windows.zip
4	IP Utilities	IP Device Tool [Diversity Series] - macOS.zip
5	CMS	AVYCON CMSONE [Diversity Series] - Windows 64Bit.zip
6	CMS	AVYCON CMSONE [Diversity Series] - macOS.zip

At the bottom of the table, there are navigation arrows and a page number "1".

At this screen you will need to download AVYCON CMSONE and AVYCON Video Player (Windows version or Mac depending on what your operating system is). *The step by step below only shows media player but will be very similar to the CMSONE

The footer of the page contains the AVYCON logo, social media icons (Facebook, Instagram, LinkedIn), and a navigation menu with the following categories:

- Products**: IP Security Cameras, Network Video Recorders
- Solutions**: Technology Applications
- Sales**: Live Demo, Project Registration, Demo Request, Where to buy, Integration Partners, NDAA
- Support**: Download Center, Tutorial Videos, Warranty Policy, RMA Request, Calculator, Technical Bulletins
- Company**: About Us, Contact Us

Once you click on these it will start a download to your pc, after download is complete click on the file which will open up your windows download location. (if it doesn't open go to your downloads file on pc and it will be there)

Once the screen above opens up double click on the file. (you will need to do this two times, once for each software)

The next screen that appears will be a "Windows protected your PC" screen will appear click on More Info.

Then click on Run anyway (windows doesn't trust anything that isn't made from themselves)

A screen will pop up asking if you want to allow to make changes – Click yes (clicking no will stop the process at this spot) The next screen will be your set up,
