

Privacy Policy

Effective date: September 11, 2018 (Updated September 24, 2025)

Foss Security ("us", "we", or "our") operates www.fosssecurity.com (hereinafter referred to as the "Service").

This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data. This Privacy Policy is managed by Privacy Policy Generator and updated by Foss Security.

We use your data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, the terms used here have the same meanings as in our Terms and Conditions, accessible from www.fosssecurity.com.

Definitions

Service

Service is www.fosssecurity.com operated by Foss Security.

Personal Data

Personal Data means data about a living individual who can be identified from those data (or from those and other information either in our possession or likely to come into our possession).

Usage Data

Usage Data is data collected automatically either generated by the use of the Service or from the Service infrastructure itself (for example, the duration of a page visit).

Cookies

Cookies are small files stored on your device (computer or mobile device).

Information Collection and Use

We collect several different types of information for various purposes to provide and improve our Service to you.

Types of Data Collected

Personal Data

While using our Service, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you ("Personal Data"). Personally identifiable information may include, but is not limited to:

- Email address
- First name and last name
- Phone number
- Address, State, Province, ZIP/Postal code, City
- Cookies and Usage Data

Usage Data

We may also collect information on how the Service is accessed and used ("Usage Data"). This may include details such as your computer's Internet Protocol address (e.g. IP address), browser type, browser version, the pages you visit, the time/date of your visit, time spent on those pages, device identifiers, and other diagnostic data.

Tracking & Cookies Data

We use cookies and similar tracking technologies to monitor activity on our Service and store information. Examples include session cookies, preference cookies, and security cookies.

Use of Data

Foss Security uses the collected data for various purposes, including but not limited to:

- To provide and maintain our Service
- To notify you about changes to our Service
- To allow you to participate in interactive features of our Service when you choose to do so
- To provide customer support
- To gather analysis or valuable information so that we can improve our Service
- To monitor usage of our Service
- To detect, prevent, and address technical issues
- **To send you marketing and promotional communications, including email and SMS/text messages, when you have provided your consent to receive them**

Marketing Communications (Email & Text)

By providing your phone number and/or email address, you agree that Foss Security may send you promotional communications, updates, special offers, and other marketing messages via email or SMS/text.

- **Opt-In Consent:** You will only receive these communications if you have provided your information voluntarily through our Service, forms, or sign-ups.

- **Opt-Out:** You may unsubscribe from emails at any time by clicking the “unsubscribe” link provided in our emails. You may opt-out of text messages by replying “STOP” to any message we send.
 - **Message/Data Rates:** Standard message and data rates may apply for text messages. Frequency of messages may vary.
 - **Third-Party Providers:** We may use trusted third-party vendors to deliver these messages, but your information will never be sold.
-

Transfer of Data

Your information, including Personal Data, may be transferred to — and maintained on — computers located outside your state, province, or country where data protection laws may differ. By submitting your information, you agree to this transfer.

Disclosure of Data

Foss Security may disclose your Personal Data in the good faith belief that such action is necessary to:

- Comply with a legal obligation
 - Protect and defend the rights or property of Foss Security
 - Prevent or investigate wrongdoing in connection with the Service
 - Protect the personal safety of users or the public
 - Protect against legal liability
-

Security of Data

We use commercially acceptable means to protect your Personal Data but cannot guarantee absolute security.

Service Providers & Analytics

We may employ third-party companies to facilitate our Service or analyze its use. These providers only access data to perform tasks on our behalf.

Links to Other Sites

Our Service may contain links to other sites. We are not responsible for the content or privacy practices of those sites.

Children's Privacy

Our Service does not address anyone under the age of 18. We do not knowingly collect data from minors.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Changes will be posted on this page with an updated effective date.
